## 👤 PROFILE

A software developer graduate who is seeking to find the opportunity to work in a fun and challenging working environment that will encourage him to improve and learn new and necessary skills as well as be motivated by the company to do his best not only for helping himself but to help the company also to achieve their goals.

## 🎓 EDUCATION

### Fullstack Web Developer, DCI - Digital Career Institut, Düsseldorf

October 2019 — December 2020

- Developing front end website architecture
- Designing user interactions on web pages
- Developing back end website applications
- Creating servers and databases for functionality
- Ensuring cross-platform optimization for mobile phones

### Management and Marketing of Digital Business, "Constantin Brancoveanu" University, Braila, Romania

October 2006 — January 2009

- Designing and implementing business plans and strategies to promote the attainment of goals
- Conceiving and developing efficient and intuitive marketing strategies

## 👥 EXTRA-CURRICULAR ACTIVITIES

### Class-representative at Digital Career Institut, Düsseldorf

November 2019 — December 2020

- Main Role: Act as a prime official channel of communication between teacher and rest of the class, for all monitoring formalities.
- Keep a watch on the schedule for the entire semester and report/discuss with teachers for any modification required well in advance (preferably more than a month).
- Expected to have good rapport with all students and have a cordial relation with them.
- Identify problem cases (students not studying/interested) and report to the teacher.
- Make announcements to students at the beginning of semester and then periodic ones as reminders.

### Tutor at Digital Career Institut, Düsseldorf

January 2020 — December 2020

Help my colleagues to understand the topics by building projects and give them task to do
